WAWONA HOTEL

The image shows the Wawona Hotel, a long, two-story building with a dark brown roof and a white facade. A prominent sign above the entrance reads "WAWONA HOTEL" in a serif font. The building features a wide porch with white columns and railings. Green and white striped awnings are extended over the porch. In the foreground, there is a grassy area with a stone archway on the left, a set of stairs leading to the entrance, a black car parked on the right, and a few people walking. The background is filled with tall evergreen trees under a clear blue sky.
