**(Thom repeats)**

**I love you for your beauty, your intelligence, the way you see the good in others … and the way you make me want to be the best I can be.**

**So, on top of all the other vows that I will make to you on our wedding day, I also vow to always appreciate how lucky I am to have someone who makes me feel the way you do and continue to try as hard as I can to make you feel as special as you make me feel – forever and ever.**

**(Tina repeats)**

you feel as special as you make me feel – forever and ever.

(Tina repeats)

I love you for your integrity, the way you treat everyone with such kindness, your sense of humor…and the way you always make me feel like a princess. You are my best friend and you make me happier than I could ever imagine and more loved than I ever thought possible. You have made me a better person as our love for one another is reflected in the way I live my life. So I am truly blessed to be a part of your life, which as of today becomes our life together.

**Remember:**
